

**SONG: MY DELIVERER**  
**ALBUM: FREE**  
**ARTIST: HOPE CREATIVE**

**VERSE 1**

There is a hope within me, it's burning deep inside  
I can't contain, there's no reason to hide  
I have found the one thing, that truly satisfies  
It's breaking down the walls of my pride

**PRE-CHORUS**

We sing Your praise, so the world may say

**CHORUS**

You deliver me from all death's sting  
My hope is found in Your victory  
You have brought me through, God I look to You  
My Deliverer

**VERSE 2**

Jesus we desire for hungry souls to see  
All of You reflected in me  
Jesus we are longing to see Your kingdom come  
We are Yours, let Your will be done

**PRE-CHORUS**

**CHORUS**

**BRIDGE**

We were lost, now we're found by Your grace no longer bound  
We were lost, now we're found by Your grace no longer bound  
We were lost, now we're found by Your grace no longer bound  
We were lost, now we're found by Your grace no longer bound
