

**SONG: YOU DESERVE IT ALL**  
**ALBUM: FREE**  
**ARTIST: HOPE CREATIVE**

VERSE 1

Slow down our minds, steady our hearts  
Focus on You, all other thoughts must depart  
Lord, bend our knees as we bow down  
Help us grow deep and worship with no bounds

VERSE 2

Take the words from my mouth, be honored here  
Allow us to worship, truly sincere  
Lord fold Your hands with ours as we pray  
God may Your glory be reflected today

CHORUS

Jesus You've been, Jesus You'll be  
My God is who You are, You deserve it all

BRIDGE

Help us as we call out Your name  
Help us as we call out Your name  
Help us as we call out Your name  
'Cause You deserve it all
