VERSE

So many angels surround the throne  
All giving praise to God alone  
Yet His Son was the one that could bring us salvation  
For He has an excellent name (2X)

CHORUS

Jesus You're the radiance of His glory  
Jesus You portray all His nature  
When You finished Your work You sat down by the Majesty on High

VAMP

We worship You, all angels, peoples, nations and tongues  
Yeah we worship You, Jesus
