

**SONG: JESUS STANDS ALONE**  
**ARTIST: HOPE CREATIVE**

VERSE 1

Standing on Your promises, You are God and God alone  
Peace that passes making sense, sovereign God, You're in control

VERSE 2

Singing in my circumstance, every moment You are near  
Trusting everything You've said, You are with me I won't fear

PRE-CHORUS

Rest be still, oh my soul, He never lets go  
Steadfast anchor of hope, You never let go

CHORUS

Your ways are higher, Your Spirit in me greater  
No other worthy Savior, my Jesus stands alone, alone  
There is no greater, no power can contain Him  
The universe proclaims it, my Jesus stands alone  
My Jesus stands alo-o-o-o-one, my Jesus stands alo-o-o-o-one
