Flood my soul, Make me whole, Let the river flow

I'm rooted in a place Where in my striving I find grace
Like a flood, For my soul, Let the river flow

I'll only walk in ways that lead me to your perfect truth
For my delight is in you

Oh the happiness! Blessed is the man
Who walks in all your ways, His delight is what you say x2

Anything that's good in me is you
In all I do, Let the river flow

Where all you've done is on display
