

SONG: PSALM 1
ALBUM: THE PSALMS PROJECT
ARTIST: HOPE CREATIVE

VERSE 1

I am like a tree that's planted deep along the waters
Flood my soul, make me whole, let the river flow
I'm rooted in a place where in my striving I find grace
Like a flood, for my soul, let the river flow

PRE-CHORUS

I'll only walk in ways that lead me to your perfect truth, for my delight is in you

CHORUS

Oh the happiness! Blessed is the man
Who walks in all your ways, His delight is what you say

VERSE 2

I am like a tree that's planted
Anything that's good in me is you
In all I do, let the river flow
I am in rooted in a place
Where all you've done is on display
It's grace! Like a flood, let the river flow

PRE-CHORUS
