

SONG: PSALM 78
ALBUM: THE PSALMS PROJECT
ARTIST: HOPE CREATIVE

VERSE 1

You gave me everything I needed when I didn't see the need
You wrote my story through the ages
I turned my back on every promise that You gave me
Your faithfulness I tried to flee

VERSE 2

You took away the things that blinded me from seeing
You blessed me more than I can say
I took those things and only used them for my glory
And in my heart they took Your place

PRE-CHORUS

I know the Spirit is willing,
but the will of my flesh it to fail

CHORUS

Yet Jesus, full of compassion, atoned for all of my sin
In His rising, He lifted me up, in glorious victory
Now freedom belongs to me

VERSE 3

You paid my debt and gave me life with Christ with I'm seated
You took up residence in me
In spite of everything You've done the battle rages
I still sin like I don't believe

PRE-CHORUS

Although the flesh may prove to be weak
Greater is Your Spirit in me

CHORUS

BRIDGE 4X

Hallelujah the highest praise
My life sings grace upon grace upon grace

CHORUS
